Re: **Young Workers' Conference at the Naramata Centre
June 7 – 10, 2009**

This CUPE BC Youth Conference, to be held in Naramata, B.C., will explore the challenges and opportunities facing young workers in their workplace, communities and schools.

HEU has limited funding available to support the attendance of HEU members. Young workers (**under 30 years of age**) are encouraged to apply for funding to attend this important opportunity. This financial support would cover the registration fee, wage loss, per diems, shared accommodation and travel.

Please make sure that this information is posted and made widely known to your members who are interested in being considered. Please complete the attached forms and forward them to my Administrative Assistant, Sister Linda Shaw (email: lshaw@heu.org or fax: 604-739-1510), to be received **no later than 5:00 p.m. on May 26.**

Please contact me if you require further information. I can be reached at 604-456-7003, or outside the Lower Mainland at 1-800-663-5813, extension 7003, or by email at <krobinson@heu.org>.

In solidarity,

Ken Robinson
President
