Dear Sisters and Brothers:

Re: Community Health Bargaining Conference – October 14 – 15, 2009

This letter is to announce the Community Health Bargaining Conference scheduled as follows:

Date/Time: October 14, 2009

Registration 8:30am – 9:00 am
Conference 9:00 am – 5:00 pm

October 15, 2009

Conference 9:00 am – 4:00 pm

Location: HEU Provincial Office
5000 North Fraser Way
Burnaby, B.C. V5J 5M3

The purpose of the conference is to prepare for the next round of bargaining, discuss bargaining demands, identify top priorities and elect a bargaining committee.

Your delegation entitlement is attached. Please check the list as it is different than the usual eligibility in order to allow for member representation from all agencies to attend.

In response to concerns raised by Community Health workers, the Provincial Executive has made the decision that bargaining priorities and demands for this sector will be set by this Bargaining Conference and taken to the Community Bargaining Association of Unions (CBA).

Please ensure the Community Health Bargaining Conference announcement is posted widely and have delegates complete and return the attached registration form (either by fax OR mail) to Roshni Chand in the Education Department by **5:00 pm on September 1, 2009**.

In solidarity,

Judy Darcy
Secretary-Business Manager
