Secretary-Treasurers

Dear Sisters and Brothers:

Re: BC Fed Young Worker School – Camp Jubilee – June 17, 18, and 19, 2016

The BC Federation of Labour Young Workers' School is intended for union members between the ages of 19 and 30 who want to meet other young activists and learn more about the labour movement and political action.

The school takes place at Camp Jubilee located on the Indian Arm on the North Shore. There will be outdoor activities and a chance to meet other young workers from around the province.

Our world is rapidly changing and it is important that we adapt to new ways of communicating. Young workers also need the ability to network, experience the excitement of generating their ideas, and participate in developing a progressive future for our union and communities.

Please find enclosed an HEU application form, things you need to know, and the workshop descriptions that you need to choose from.

Successful applicants will have wage loss, registration (which covers accommodation and meals), per diems (for travel days only), and transportation covered by HEU.

PLEASE NOTE: This is a camp environment and is not luxury. Please read the enclosed information closely.

Please contact young workers, encourage them to apply, and post this information widely.

Applicants should complete the attached forms in full (please make more copies if needed) and forward them to Toni Hawley via fax: 604-739-1510) or mail, HEU, 5000 North Fraser Way, Burnaby BC, V5J 5M3 by **12:00 pm., Thursday, May 19, 2016.**

If you have any questions please don't hesitate to contact Toni Hawley at 604-456-7089 or toll-free 1-800-663-5813 or by email thawley@heu.org.

In solidarity,

Victor Elkins
President
