

We'd like to see your moustache!

THIS NOVEMBER, HEU'S MEN'S COMMITTEE IS SPONSORING
A "MOVEMBER" CONTEST.

It's all about raising awareness about prostate cancer, a disease that will impact one out of every six men. The annual Movember movement is also raising money to find a cure for this devastating cancer.

Here's what you can do:

- Go to movember.com to register and raise money for prostate cancer research.
- Grow your moustache.
- Send us a photo of the results by November 28 to movember@heu.org including your name, HEU local, and a contact number.

THE WINNING ENTRY WILL BE AWARDED AN HEU GORE-TEX JACKET.

And don't forget to participate in community activities organized around Movember!

For those attending the HEU convention in November, blue ties will be given out in return for donations to Prostate Cancer Canada.

And watch for applications for union sub-committees later in the year for your opportunity to apply for the men's committee.
