

WORK FOR Your union!

Are you interested in working on a casual basis for the union? The Hospital Employees' Union is seeking expressions of interest from HEU members who are interested in casual assignments as administrative assistants, systems administrators (IT) and finance clerks working out of our Provincial Office. You can apply for union leave from your employer to do this work.

If you are interested in being considered for this type of work, check the "Annual Work Opportunity" which should be posted on your union bulletin board, for complete information on the application process.

THE DEADLINE for applications is noon on Friday, March 18, 2016 at HEU's Provincial Office.
