**Ethnic Diversity**

This conference aims to bring together HEU members from diverse ethnocultural, racial and religious backgrounds. We work to achieve equality among HEU members through support, networking and education.

**First Nations**

Our First Nations Caucus Conference invites all Aboriginal HEU members, both urban and rural.

Our goal is to share our experiences, traditions, culture and knowledge.

**Lesbian and Gay**

Our focus is on the challenges of lesbian, gay, bisexual and transgender persons in the workplace *and* in our communities.

We will discuss future campaigns, build coalitions within the trade union movement and strive to maintain a support system for each other. Finally, we will share our accomplishments.

**People with DisAbilities**

This conference is for HEU members with disabilities -- both visible and non-visible. It is for those of us who are at work as well as those who are off the job.

We will share ideas and work on developing strategies for meeting our challenges.
