

# BARGAINING BULLETIN

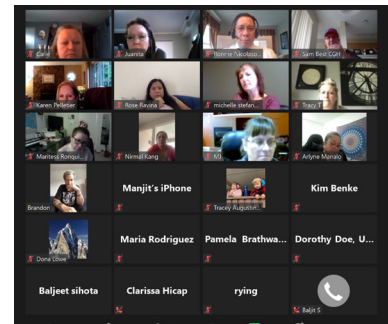

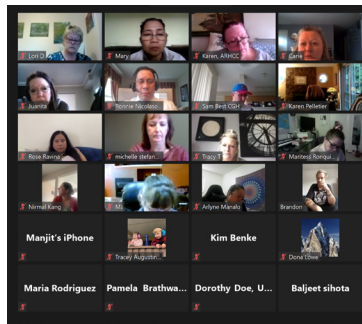

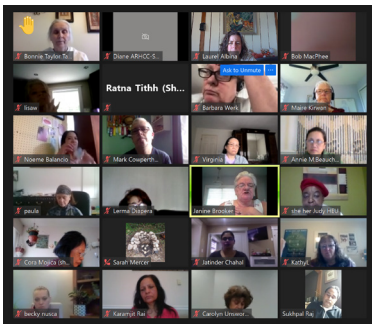

MARCH 2021

## CONTRACT SUPPORT SERVICE WORKER (CSSW) BARGAINING BEGINS

We are important members of the health care delivery team and our work, and working conditions, matter. We have urgent and important improvements that must be taken seriously—and our employers—Compass, Sodexo, Aramark and Acciona—must be held accountable!

**On Friday March 5th our bargaining committee met for the first time to make a plan.**

### YOUR VOICE MATTERS!

**Complete your bargaining survey online by April 16, 2021**

The bargaining committee needs to hear from you! Complete a short bargaining survey to give our bargaining team a sense of your concerns and priorities. You can find the bargaining survey here [surveymonkey.com/r/cssw2021](https://www.surveymonkey.com/r/cssw2021)

If any of your co-workers have not been receiving communications from our union about bargaining, please ask them to update their email or cell phone info at: [heu.org/change-contact-information](https://heu.org/change-contact-information)
