Dear Sisters, Brothers and Friends:

**Re: Cultivating Space: Women of Colour Leadership Workshop –
May 17 and 18, 2022**

Women interested in taking on leadership roles within their union or community often face many barriers. In addition to gender-based discrimination, women of colour face additional barriers linked to race and their marginalization in the workplace and in society as a whole.

These multiple and intersectional identities can be a barrier to participating in leadership roles. HEU is committed to building a diverse, equitable and inclusive union. Thus, we have designed a workshop to encourage and support women of colour within the HEU membership to take up the leadership challenge and provide the information, tools and skills necessary to succeed.

This online workshop will encourage members to reflect, learn and take action. Workshop topics include:

- Creating space for personal reflections, hope and sense of belonging
- Understanding our multi-faceted and layered identity
- Exploring our whole selves and our lived experience in social and systemic structures
- Challenging existing power structures
- Growing our strengths, capacity, skills, solidarity and collective power

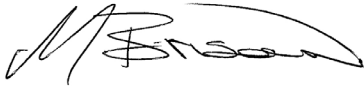

Please fill out the attached application form and submit by **Tuesday, April 12, 2022** to the Provincial Office **Attention: Shemaine Chan**, Education and Human Rights Department. **Please return only ONE copy of the application – either by mail, email to schan@heu.org or fax at 604-739-1510.** Alternatively, an online form is available on our website at www.heu.org.

We will contact successful applicants by email to confirm further details. Please ensure the email address on your application is current and is your primary email contact where we will send information regarding the workshop. Please do not use your employer's email address. Once applicants have been notified, they will be required to apply for leave of absence for union business, where applicable.
