- (a) Any such document other than official evaluation reports shall be removed from the employee's file after the expiration of eighteen (18) months from the date it was issued provided there has not been a further infraction.
- (b) In cases where disciplinary documents relate to resident abuse, the eighteen (18) month period may be extended by the length of time an employee is absent from work for an accumulated period of more than thirty (30) days, except for periods of approved vacation and maternity leave.

9.03.04 Introduction of Evidence at Hearing

The Employer agrees not to introduce as evidence in any hearing any document from the file of an employee, the existence of which the employee was not aware at the time of filing or within a reasonable period thereafter.

9.04 Grievance Procedure

9.04.01 Preamble

The Employer and the Union recognize that grievances may arise concerning:

- (a) Differences between the Parties respecting the interpretation, application, operation or any alleged violation of a provision of this Agreement, including a question as to whether or not a matter is subject to arbitration; or
- (b) The dismissal, discipline or suspension of an employee bound by this Agreement.

The employee, with or without a Shop Steward or local executive member (at the employee's option), shall first discuss the grievance with their immediate supervisor or department head within seven (7) calendar days of the occurrence of the grievance. In this first step, both parties shall make every effort to settle the dispute. If the grievance is not settled at this step, then:

9.04.03 Step Two:

- A** The grievance shall be reduced to writing by:
- (1) Recording the grievance on the appropriate grievance form, setting out the nature of the grievance and the circumstances from which it arose;
 - (2) Stating the article or articles of the Agreement infringed upon or alleged to have been violated and the remedy or correction required;
 - (3) The grievance shall be signed by the employee and a Shop Steward or local executive member;
 - (4) The supervisor shall acknowledge receipt of the written grievance by signing and dating the grievance form at the time the grievance is presented; and
 - (5) Within seven (7) calendar days of receipt of the written grievance, the supervisor or the department head shall give their written reply. If the grievance is not settled at this step, then:
- B** Grievances of a general nature may be initiated by a member of the local executive in step two of the grievance procedure outlined in Article 9.04.

9.04.04 Step Three:

The Labour Management Committee shall meet within twenty-one (21) calendar days or other mutually agreed to time to discuss the grievance. At this step of the grievance procedure, each party shall provide to the other a statement of facts and copies of all relevant documents. The findings or decisions of the Employer shall be presented to the Union in writing within seven (7) calendar days of the meeting. If the grievance is not settled at this step, either party may refer the grievance to a third party for resolution within thirty (30) calendar days.

9.05 Policy Grievance

Where either party to this agreement disputes the general application, interpretation, or alleged violation of an article to this agreement, the dispute shall be discussed initially with the Employer, their designate or the Union within fourteen (14) calendar days of the occurrence. If it is found that an employee was disciplined or dismissed without just and reasonable cause, or laid-off contrary to the provisions of the Collective Agreement, that employee shall be reinstated by the Employer without loss of pay with all of their rights, benefits and privileges which they would have enjoyed if the layoff, discipline or discharge had not taken place, or upon such other

basis as the parties may agree.

9.08 Technical Objections to Grievances

It is the intent of both parties to this Agreement that no grievance shall be defeated merely because of a technical error other than time limitations in processing the grievance through the grievance procedure. To this end, the arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute, and to render a decision according to equitable principles and the justice of the case.

9.09 Grievance Mediator

9.09.01 Issues Referred to Grievance Mediator

During the probationary period, an employee may be terminated. If it is shown on behalf of the employee that the termination was not for just and reasonable cause, the employee shall be reinstated.

13.02 Upon completion of the probationary period, the initial date of employment shall be the anniversary date of the employee for the purpose of determining perquisites and seniority.

ARTICLE 14 - PROMOTION, TRANSFER, DEMOTION, RELEASE

14.01 Selection Criteria

In the promotion, transfer, demotion or release of employees, efficiency, required qualifications (including initiative), and seniority shall be the determining factors. Each of the three determining factors will be accorded equal weight.

An employee who is successful in a temporary job posting will not bid for another temporary posting until they have completed the original posting or six (6) months in the posting, whichever occurs first.

14.02 Qualifying Period

If a regular employee is promoted, voluntarily demoted, or transferred to a job, the classification for which the Union is the certified bargaining authority, then the promoted, voluntarily demoted, or transferred employee shall be considered a qualifying employee in their new job for a period of one (1) month.

In no instance during the qualifying period shall such an employee lose seniority or perquisites. However, if a regular employee has been promoted, voluntarily demoted or transferred and during the aforementioned one (1) month period is found unsatisfactory in the new position, then the promoted, voluntarily demoted or transferred employee shall be returned to their former job and increment step before the promotion, voluntary demotion or transfer took place, without loss of seniority, and any other employee hired, promoted, voluntarily demoted or transferred because of the rearrangement of jobs, shall be returned to their former job and pay rate without loss of seniority and accrued perquisites.

An employee who requests to be relieved of a promotion, voluntary demotion, or transfer during the qualifying period in the new job shall return to the employee's former job without loss of seniority or perquisites on the same basis as outlined in paragraph (2) of this Article.

14.03 Temporary Promotion or Transfer

14.04.02

In cases where an employee is required to transfer temporarily to a lower-rated job, such employee shall incur no reduction in wages because of such transfer.

14.05 Promotions

A regular employee promoted to a job with a higher wage rate structure shall receive in the new job the increment rate that is immediately higher than their wage rate immediately prior to the promotion.

Except for the Licensed Practical Nurse (LPN), for increment progression, the employee's increment anniversary date shall then become the initial day in the new job. Employee pay rates shall become effective from the first day in the new job and further increment increases shall become effective on the established increment date.

However, should the promotion at any time result in a lesser rate of pay than the employee would have received if the promotion had not occurred, then the employee shall retain the increment anniversary date of their prior job. For the LPN, increment progression is based on hours paid as an LPN.

14.06 Transfers

A regular employee transferred to a job with the same pay rate structure as their former job shall remain at the same increment step in the pay rate structure and shall retain their former increment anniversary date.

A regular employee transferred upon the employee's request to a job with the same pay rate structure as their former job, who has

the experience in or possesses the ability to perform the duties of the new job, shall retain the pay rate and increment anniversary date of their prior job.

A regular employee transferred upon the employee's request to a job with the same pay rate structure as their former job who does not have prior experience or ability to qualify as above, shall remain at the increment step immediately preceding the step indicated by length of overall seniority for a period not to exceed three (3) months. Upon completion of this qualifying period, the employee shall revert to the increment anniversary date of their prior job.

14.07 Demotions

An employee requesting a voluntary demotion from a higher to a lower-rated job, and who is subsequently demoted to the lower-rated job, shall go to the increment step of the lower-rated job commensurate with their overall seniority, provided they have experience in or possesses the ability to perform the duties of the lower-rated job without a training period. For the purpose of this Article and in the event of involuntary demotion, an employee who does not have prior experience or ability to qualify as above, shall remain at the increment step immediately preceding the step indicated by length of overall seniority, for a period not to exceed three (3) months.

14.08 Re-employment After Retirement

Employees who have reached retirement age as prescribed under the *Pension (Municipal) Act* and continue in the Employer's service, or are re-engaged within three (3) calendar months of retirement, shall continue at their former increment step in the pay rate structure of the classification in which they are employed, and the employee's previous anniversary date shall be maintained. All perquisites (which does not include seniority) earned up to the date of retirement shall be continued or reinstated.

14.09 Re-employment After Voluntary Termination or Dismissal for Cause

Where an employee voluntarily leaves the Employer's service, or is dismissed for cause and is later re-engaged, seniority and all perquisites shall date only from the time of re-employment, according to regulations applying to new employees.

- (ii) If the Employer alters the scheduled work days of an employee without giving at least fourteen (14) calendar days' advance notice, such employee shall be paid overtime rates for the first shift worked pursuant to Article 22. Notice of the alteration shall be confirmed in writing as soon as possible.
- (iii) If the Employer intends to implement a revised work schedule, the Employer will post the proposed rotation for seven (7) calendar days so that impacted regular employees in the unit/department have an opportunity to review it. Within a further seven (7) calendar days, the impacted regular employees will select their line on the new rotation in order of seniority. Any regular employee without a line in the new work schedule will be issued a displacement notice in accordance with Article 18. The new work schedule will then be posted in accordance with Article 20.01 (a) (i).
- (b) There shall be a minimum of twelve (12) consecutive hours off-duty between the completion of one work shift and the commencement of the next.
- (c) When it is not possible to schedule twelve (12) consecutive hours off-duty between work shifts, all hours by which such

changeover falls short of twelve (12) consecutive hours shall be paid at overtime rates in accordance with Article 22.

- (d) If a written request for a change in starting time is made by an employee which would not allow twelve (12) consecutive hours off-duty between the completion of one work shift and the commencement of another, and such request is granted, then the application of paragraphs (b) and (c) of this section shall be waived for all employees affected by the granting of such a request provided they are in agreement.
- (e) Employees may exchange shifts with the approval of the Employer, provided that, whenever possible, sufficient advance notice in writing is given and provided that there is no increase in cost to the Employer.
- (f) If the Employer changes a shift schedule without giving a minimum of fourteen (14) calendar days' advance notice and such change requires an employee to work on a scheduled day off, then such hours worked shall be paid at overtime rates pursuant to Article 22. Notice of the change shall be confirmed in writing as soon as possible.
- (g) Regular full-time employees shall not be required to work three (3) different shifts in any six (6) consecutive day period posted in their work schedules.
- (h) Where operational requirements necessitate a temporary change in start or stop time by up to a maximum of 2 hours with no change in shift duration, overtime rates pursuant to Article 22 will not be applicable.

If child care, transit difficulties or other serious personal circumstances do not permit such a change, employees may decline the change without repercussion by the Employer.

20.02 Unusual Job Requirements of Short Duration

The nature of health care is such that at times it is necessary for an employee to perform work not normally required in their job and, therefore, the requirements of the moment shall determine the type of work to be performed. It is understood that an

employee shall not be expected to perform a task for which they are not adequately trained.

ARTICLE 21 - HOURS OF WORK

21.05 Part-Time Employees

The Employer shall eliminate, as far as possible, all part-time employees.

- (2) The rate of double-time of their basic hourly rate of pay for all hours worked on a scheduled day off.

22.02 Assignments of overtime work shall be offered to employees within the classification on the basis of seniority. When an overtime assignment arises, it shall first be offered to qualified employees on duty. If no one accepts to work the overtime shift, it will then be offered to all other qualified employees in seniority order.

22.03 Employees required to work on a scheduled day off shall receive the overtime rate as provided but shall not have the day off rescheduled.

22.04 If an employee works overtime on a statutory holiday which calls for a premium rate of pay as provided at Article 27, the employee shall be paid overtime at the rate of time-and-one-half times (1-1/2 x) the premium statutory holiday rate for all hours worked beyond seven-and-one-half (7-1/2) in that day.

22.05 Overtime pay shall be paid to the employee within eight (8) days after the expiration of the pay period in which the overtime was earned except as provided in Article **22.06** below.

- (b) The overtime earned between April 1 and September 30 shall, at the employee's option, be taken as time off or pay prior to March 31 of the next calendar year. Any unused portion of the accumulated overtime as of March 31 shall be paid out at the employee's current rate of pay.
- (c) Any overtime earned between October 1 and March 31 shall, at the option of the employee, be taken as time off or pay prior to September 30. Any unused portion of the accumulated overtime as of September 30 shall be paid out the employee's current rate of pay.

One-half (½) hour with pay shall be allowed the employee in order that they may take a meal break either at or adjacent to their place of work.

- (i) This clause shall not apply to part-time employees until the requirements of Article 22.09 have been met.
- (ii) In the case of an employee called out on overtime to work on a rest day this clause will apply only to hours worked outside their regular shift times for a normal work day.

22.08 When an employee is requested to work overtime on a scheduled work day or on a scheduled day off, the employee may decline to work such overtime except in cases of emergency. Only in cases of emergency may an employee be required to work overtime.

When an employee does not agree that an emergency exists, the employee shall work such overtime under protest and may file a grievance.

22.09 A regular part-time employee working less than the normal hours per day of a full-time employee, and who is requested to work longer than their regular work day, shall be paid at the rate of straight-time for the hours so worked, up to and including the normal hours in the work day of a full-time employee. Overtime rates shall apply to hours worked in excess of the normal work days in the work week of a full-time employee.

22.11 An employee required to work overtime adjoining their regularly scheduled shift shall be entitled to eight (8) clear hours between the end of the overtime work and the start of their next regular shift. If eight (8) clear hours of time off are not provided, overtime rates shall apply to all hours worked on the next regular shift.

ARTICLE 23 - SHIFT AND WEEKEND PREMIUMS

23.01 Employees working the evening shift shall be paid a shift differential of ninety-five cents (95¢) per hour for the entire shift worked. Employees working the night shift shall be paid a shift differential of one-dollar-and-seventy-five cents (\$1.75) per hour.

23.02 An Employee shall be paid a weekend premium of one dollar (\$1) per hour for each hour worked between 0001 hours Saturday and 2400 hours Sunday.

23.03 Evening shift will be defined as any shift in which the major portion occurs between 4:00 P.M. (1600 hours) and 12:00 Midnight (2400 hours) and night shift as any shift in which the major portion occurs between 12:00 Midnight (2400 hours) and 8:00 A.M. (0800 hours).

Any employee, except those covered by Article 24, reporting for work at the call of the Employer shall be paid their regular rate of pay for the entire period spent at the Employer's place of business, with a minimum of two (2) hours' pay at their regular rate of pay if they do not commence work, and a minimum of four (4) hours' pay at their regular rate if they commence work.

ARTICLE 26 - TRANSPORTATION ALLOWANCE

26.01 An employee who uses their own motor vehicle to conduct business on behalf of and at the request of the Employer shall receive an allowance as per the Employer's travel policy.

26.02 At no time will the Employer require an employee to use their own motor vehicle to the extent that Insurance Corporation of British Columbia insurance premiums are necessarily increased to recognize such usage.

ARTICLE 27 - STATUTORY HOLIDAYS

27.01 Statutory Holidays

Employees will be entitled to thirteen (13) statutory holidays and such other holidays as may be in future proclaimed or declared by either the Provincial or Federal Governments:

New Year's Day	Labour Day
Family Day	<u>National Day for Truth and</u>
Good Friday	<u>Reconciliation</u>
Easter Monday	Remembrance Day
Victoria Day	Thanksgiving Day
Canada Day	Christmas Day
B.C. Day	Boxing Day

They shall be granted on the basis that employees shall be scheduled off from work, exclusive of annual vacations, a minimum of one-hundred-seventeen (117) days per year - (two (2) days per week plus a minimum of thirteen (13) statutory holidays).

If at the end of a year (fifty-two (52) weeks dating from an employee's first scheduled shift in January), an employee has not had a minimum of one-hundred-seventeen (117) days off, they shall be paid extra at double-time rates for each day by which their total number of days off falls short of one-hundred-seventeen (117), except that they shall not again be paid for any day for which they were paid at the rate of double time under Article 22 or Article 28.04.

Employees who are required to work on scheduled statutory holidays and are given less than seven (7) calendar days' advance notice of this requirement will receive pay at the rate of time-and-one-half (1-1/2 x) for the time worked, in addition to their regular monthly pay rate, and will have such statutory holidays rescheduled in addition to such overtime pay.

27.02 Super Stats

Employees who are required to work on Good Friday, Labour Day, or Christmas Day shall be paid at time-and-one-half (1-1/2 x) rates in addition to their regular hourly rate. Payment of time-and-one-half (1-1/2 x) rates under this provision does not detract from statutory holiday entitlements otherwise owing to the employee. The Employer and the Union agree to be bound by the decision of Special Officer, D.R. Blair, dated August 29, 1974 regarding the interpretation and application of the foregoing Super Stat provisions.

27.03 When an Employee has been on sick leave that is inclusive of one or more working days prior to an Employer scheduled statutory holiday and one or more working days following such Employer scheduled statutory holiday, then the Employer scheduled statutory holiday shall become a day to which accrued sick leave credits shall be applied and it shall be re-scheduled. The employee shall be required in all such cases to provide a certificate of illness from a medical practitioner. The provisions of Article 27.01, paragraph 3 shall not apply to Employer scheduled statutory holidays rescheduled in accordance with this paragraph. Such rescheduled statutory holidays shall be rescheduled not later than January 31st of the year following the year in respect of which they were originally scheduled.

27.04 Employees required to work on scheduled days off will receive pay at the rate of double-time for the time worked, but will not have the day off rescheduled.

27.05 Employees who are required to work on a statutory holiday other than a Super Stat shall be paid at the rate of double time. Payment of premiums under this provision does not detract from statutory holiday entitlements otherwise owing to the employee.

27.06 If an employee terminates during the year, they shall be entitled to the same portion of one-hundred-sixteen (116) days off that their period of service in the year bears to a full year.

27.07 Every effort will be made to schedule such public holidays or their equivalent days, as additions to the employee's two (2) regularly scheduled days off per week so that employees will receive as many three-day breaks during each year as possible.

27.08 The Employer shall make every effort to schedule either Christmas Day or New Year's Day off for employees so requesting.

27.09 If an Employer scheduled statutory holiday occurs within an employee's vacation period, an extra day's vacation will be allowed for each statutory holiday so occurring.

27.10 Part-Time Employees

For employees receiving more than 40 vacation days, that

entitlement shall remain for the remainder of that employee's career with the Employer but shall not increase.

28.02 Supplementary Vacations

- Sixty percent (60%) of the employees shall be scheduled and granted vacations during the months of June, July, August and September.
- Forty percent (40%) of the employees shall be scheduled and granted vacations during the remainder of the year.

The choice of vacation periods shall be granted employees on the basis of seniority with the Employer except where the period requested would be detrimental to the operation of a department.

28.04 Splitting of Vacation Periods

Annual vacations for employees with ten (10) work days' vacation or more shall be granted in one (1) continuous period but may, upon request from the employee, be divided, subject to the approval of the Employer, provided that the following shall apply:

- (a) The Employer's approval shall not be unreasonably withheld, taking into consideration the operational requirements of the department; and
- (b) At least one block of vacation shall be at least five (5) days in duration.

Employees wishing to split their vacations shall exercise seniority rights in the choice of the first vacation period. Seniority shall prevail in the choice of the second vacation period, but only after all other "first" vacation periods have been approved. Seniority shall also prevail in the choice of each subsequent vacation period, but only after each previous vacation period has been approved.

Annual vacations for employees with less than ten (10) work days' vacation shall be granted in one (1) continuous period.

In the event an employee is sick or injured prior to the commencement of their vacation, such employee shall be granted sick leave and the vacation period so displaced shall be added to the vacation period if requested by the employee and by mutual agreement, or shall be reinstated for use at a later date.

28.08 Employees who have commenced their annual vacation shall not be called back to work, except in cases of extreme emergency. If such occurs, an employee shall receive two (2) times their applicable rate of pay for all hours worked and shall have vacation period so displaced rescheduled with pay at a mutually agreeable time. All reasonable travel expenses incurred shall be reimbursed to the employee.

28.09 Part-Time Employees

Part-time Employees shall receive the same perquisites on a proportionate basis as granted regular full-time employees, including the following:

Such bereavement leave shall be granted to employees who are on other paid leaves of absence including sick leave and annual vacations. When bereavement leave of absence with pay is granted, any concurrent paid leave credits used shall be restored.

Bereavement leave of absence with pay shall not apply when an employee is on an unpaid leave of absence.

An employee who has experienced a loss of pregnancy after twenty (20) weeks shall be entitled to leave under this Article.

ARTICLE 30 - SPECIAL LEAVE

30.01 An employee shall earn special leave credits with pay up to a maximum of twenty-five (25) days (187.5 hours) at the rate of one-half (0.5) day (3.75 hours) every four (4) weeks (150 hours).

Notwithstanding the foregoing, employees with accumulated special leave credits in excess of 180 hours up to and including the previous maximum of 187.5 hours, shall retain the accumulated balance to their credit. Where this accumulated credit exceeds 180 hours, no further credit shall be earned until the accumulated balance is reduced below 180 hours, in which event the accumulation of special leave credits will be reinstated, but the accumulated balance shall not again exceed 180 hours. As special leave credits are used, they shall continue to be earned up to the maximum.

Special leave credits may be used for the following purposes:

- (1) Marriage Leave - five (5) days.

- (2) Paternity Leave - one (1) day.
- (3) Serious household or domestic emergency including illness in the immediate family of an employee, and when no one at the employee's home other than the employee can provide for the care of the ill immediate family member - up to two (2) days at one time.
- (4) Leave of one (1) day may be added to three (3) days' bereavement leave.
- (5) Leave of three (3) days may be taken for travel associated with bereavement leave.

All special leave credits shall be paid in conformity with Article 31: two-and-three-fifths (2-3/5) days (19.5 hours) per year for those working an average of fifteen (15) hours per week per calendar year or a proportionate amount depending on time worked.

ARTICLE 31 - SICK LEAVE, WORKSAFEBC, INJURY-ON-DUTY

31.01 The following sick leave provisions may be varied by mutual agreement between the Union and the Employer in the event further EIC premium reductions for eligible sick leave plans are attainable under the *Employment Insurance Act*.

31.02 Sick leave credits with pay shall be granted on the basis of one-and-one-half (1-1/2) work days per month, cumulative up to one-hundred-fifty-six (156) work days. Upon completion of the

488 hours probationary period, employees shall have sick leave benefits paid retroactive to their starting date to the extent of the accumulated sick leave credits earned up to the date of return from illness.

The maximum accumulation of sick leave credits shall be eleven-hundred-and-seventy (1,170) hours.

31.03 Sick leave with pay is only payable because of sickness and employees who are absent from duty because of sickness may be required to prove sickness. Failure to meet this requirement can be cause for disciplinary action. Repeated failure to meet this requirement can lead to dismissal. Employees must notify the Employer as promptly as possible of any absence from duty because of sickness and employees must notify the Employer prior to their return.

31.04 Leave – Workers' Compensation

(a) Entitlement to Leave

An employee shall be granted Workers' Compensation leave with net pay in the event that the Workers' Compensation Board/WorkSafe determines that the employee has established a claim (time-loss benefits) and they are unable to perform their duties by reason of the compensable injury which occurred while employed by the Employer. For the purposes of this clause, "net pay" is defined as the employee's regular net take-home wages to ensure that the non-taxable status of Workers' Compensation benefits does not provide an opportunity for an injured worker to earn more while on claim than if they were working. The term claim will not include any form of WorkSafeBC allowance or pension, and this section will not be operative while an employee is receiving such a different form of payment from WorkSafeBC arising from this claim.

Additional shifts worked by part-time employees, shift and weekend premiums, and statutory holiday premiums (in accordance with the three (3) arbitration awards listed below) shall be taken into account when calculating “regular net take-home wages”:

- Surrey Memorial Hospital and BCNU; Donald Munroe; April 1, 1996.
- Peace Arch Hospital and BCNU; Mervin Chertkow; December 2, 1997.
- Vancouver Hospital and Health Sciences Centre and BCNU; Donald Munroe; January 28, 1998.

(b) Reimbursement to Employer

The employee shall pay to the Employer any amount received for loss of wages in settlement of any claims.

(c) Benefit Entitlement

When an employee is on a WorkSafeBC claim all benefits of the Agreement will continue to accrue. However, an employee off work on WorkSafeBC claim shall receive net wages as defined by (a) above, and benefits equaling but not to exceed their normal entitlement had they not suffered a compensable injury. For the first twenty (20) work days on claim, an employee will accrue statutory holidays and vacation credits. Once the claim exceeds twenty (20) work days, statutory holidays will not accrue.

(d) Approval of Claim

When an employee is granted sick leave with pay and Workers' Compensation leave is subsequently approved for the same period, it shall be considered for the purpose of the record of sick leave credits that the employee was not granted sick leave with pay.

(e) Continuation of Employment

Employees who qualify for Workers' Compensation coverage shall be continued on the payroll and shall not

have their employment terminated during the compensable period, except for just cause. Upon return to work following recovery, an employee who was on claim for less than twenty-nine (29) months shall continue in their former job; an employee who was on claim for more than twenty-nine (29) months shall return to an equivalent position, exercising their seniority rights if necessary, pursuant to Article 18.06.

- (f) Sick leave pay shall be paid for the one (1) day or less not covered by the *Workers' Compensation Act*.

31.05 Sick leave pay shall be computed on the basis of scheduled work days and all claims shall be paid on this basis.

Sick leave deductions shall be according to actual time off.

31.06 An employee must apply for sick leave pay to cover periods of actual time lost from work owing to sickness or accident.

Where medical and/or dental appointments cannot be scheduled outside the employee's working hours, sick leave with pay shall be granted.

31.07 Employees with more than one (1) years' service who are off because of sickness or accident shall at the expiration of paid sick leave benefits, be continued on the payroll under the heading of leave of absence without pay for a period of not less than one (1) month plus an additional one (1) month for each additional three (3) years of service, or proportion thereof, beyond the first year of service.

Further leave of absence without pay shall be granted upon written request provided that the request is reasonable. The Employer may require the employee to prove sickness or incapacity and provide a medical opinion as to the expected date of return to work. The Employer's decision for further leave of absence without pay shall be in writing.

If no written report is received by the Employer by the end of the leave of absence without pay explaining the employee's condition, the employee's services shall be terminated.

31.08 Employees with less than one (1) years' service who are off because of sickness or accident shall be continued on the payroll under the heading of leave of absence without pay for a period of seven (7) work days. Further leave of absence periods of seven (7) work days without pay may be granted upon written request. These written requests shall be acknowledged in writing. If no written report is received by the Employer within the seven (7) work days from such an employee explaining their condition, they shall be removed from the payroll.

31.09 The Employer shall inform all employees at least once each year of the number of sick days accumulated and shall make the information available to an employee on request.

31.10 All sick leave credits are cancelled when an employee terminates their employment except when an employee transfers to another health care institution in accordance with Article 14.12.02(c) and except as provided in Article 31.11 below.

31.11 Cash Pay-Out of Unused Sick Leave Credits

Upon retirement or voluntary leave from the workforce as defined in Article 45, Severance Allowance, regular full-time and regular part-time employees shall be paid in cash an amount equivalent to forty percent (40%) of unused sick leave credits calculated at the employee's rate of pay at retirement.

31.12 Other Claims

In the event that an employee is absent from duty because of illness or injury in respect of which wage loss benefits may be payable to the employee by the Insurance Corporation of British Columbia (ICBC), the liability of the Employer to pay sick pay shall rank after the ICBC. Notwithstanding such liability, the Employer shall pay the employee such sick leave pay as would otherwise

be payable under this Agreement. Re: Long-Term Disability Insurance Plans:

Long-Term Disability Insurance Plans

The Employer and the Union agree that the long-term disability insurance plans shall be governed by the terms and conditions set forth below. For employees previously covered by the HEABC/HEU Master Agreement provisions underwritten by the Healthcare Benefit Trust ("HBT"), this amended plan is effective July 6, 1998 (unless otherwise indicated). For all other employees, the terms of this Plan are effective April 1, 1999.

**** Explanatory Note:***

There are two effective dates for defining an "existing claimant". For employees previously covered by the HEABC/HEU Master Agreement provisions underwritten by the HBT, an "existing claimant" is defined as an employee with a date of disability or injury that occurred prior to April 1, 1998. For all other employees, the definition of an "existing claimant" is defined as an employee with a date of disability or injury that occurred prior to April 1, 1999. For the latter group of employees substitute the date "April 1, 1999" for "April 1, 1998" and substitute "March 31, 1999" for "March 31, 1998", wherever found in this Addendum.

LONG-TERM DISABILITY PLAN

Section 1 - Eligibility

(A) Regular full-time and regular part-time employees who are on staff January 1, 1979 or who join the staff following this date shall, upon completion of the 488 hours probationary period, become members of the Long-Term Disability Plan as a condition of employment.

(B) Seniority and Benefits - Seniority accumulation and benefit entitlement for employees on long-term disability shall be consistent with the provisions of Article 34.03 of the Collective Agreement which reads:

Any employee granted unpaid leave of absence totalling up to twenty (20) working days in any year shall continue to accumulate seniority and all benefits and shall return to their former job and increment step.

If an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) working days in any year, the employee shall not accumulate benefits from the twenty-first (21st) day of the unpaid leave to the last day of the unpaid leave but shall accumulate benefits and receive credit for previously earned benefits upon expiration of the unpaid leave.

Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in their former job; an employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising their seniority rights if necessary, pursuant to Article 18 of the Collective Agreement.

Employees on long term disability who have exhausted all sick leave credits and in addition have been granted twenty (20) working days (effective the first pay period between September 30, 2004 and October 13, 2004: 150 working hours) unpaid leave shall be covered by the Medical, Extended Health Care, and Dental Plans.

Effective April 1, 1999 premiums for medical, dental, extended health and accidental death and dismemberment insurance to be cost shared by the employer and claimant on a 50-50 basis. For employees previously covered by the HEU/HEABC Master Collective Agreement, this provision is effective July 6, 1998. Employees to be permitted to enroll in some or all of the above

plans. The employee's share of premiums for such coverage is to be paid in advance, on a monthly basis.

Municipal Pension Plan - Employees on long-term disability shall be considered employees for the purposes of the Municipal Pension Plan in accordance with the *Public Sector Pension Plans Act* and Municipal Pension Plan Rules.

Group Life Insurance - Employees on long-term disability shall have their group life insurance premiums waived and coverage under the Group Term Life Insurance Plan shall be continued.

Section 2 - Waiting Period and Benefits

(A) Employees Disabled Prior to April 1, 1998 *

(* See Explanatory Note in Preamble to this Addendum.)

In the event an employee, while enrolled in this Plan, becomes totally disabled prior to April 1, 1998 as a result of an accident or a sickness, then, after the employee has been totally disabled for six (6) months the employee shall receive a benefit equal to two-thirds (2/3) of monthly earnings.

(1) Supplemental Monthly LTD Benefit

- (a) The Parties agree that the eligible employees, who have been and continue to receive benefits under the provisions of the LTD Plan that was in effect prior to the effective date of this agreement, ought to be afforded benefit enhancements. The intent is to ensure that these eligible employees are not unduly disadvantaged or excluded from enhancements to benefits under the LTD Plan effective the date of this agreement because they were:
 - (i) eligible for benefits or were receiving benefits prior to and including March 31, 1998; and
 - (ii) not actively at work due to illness or injury prior to and including March 31, 1998.

- (b) Commencing on the ratification date of this agreement (or no later than April 1, 1999 for non-HEU Master employees) and continuing for a further thirty-six (36) months thereafter, all eligible employees who, prior to and including March 31, 1998 were receiving or, were entitled to receive benefits under the LTD Plan and, who:
- (i) are not eligible for the LTD Plan Early Retirement Incentive Provision; and,
 - (ii) have been receiving LTD benefits for four (4) years or more following the date of disability; and
 - (iii) are medically unable to participate in a Rehabilitation Plan.
- shall be eligible for a Supplemental Monthly LTD Benefit.
- (c) The Supplemental Monthly LTD Benefit shall be determined as follows:
- (i) obtain the gross monthly LTD benefit that the employee is entitled to receive based on the monthly earnings of their regular occupation at the date of disability;
 - (ii) obtain the gross monthly LTD benefit that the employee would be entitled to receive based on the current monthly earnings of their regular occupation as at the date of disability;
 - (iii) obtain the difference between (i) and (ii) above;
 - (iv) multiply the answer to (iii) above by 25% and add to (i) above to determine the adjusted gross monthly LTD benefit;
 - (v) deduct from the answer to (iv) above the applicable offsets in Section 5 to determine the adjusted net-of-offsets monthly LTD benefit; and,
 - (vi) deduct the eligible employee's current net-of-offsets LTD monthly benefit entitlement to determine the amount of the Supplemental Monthly LTD Benefit.

The Supplemental Monthly LTD Benefit shall be paid as a separate benefit in addition to the regular monthly LTD net-of-offsets benefit that the employee is eligible to receive.

(B) Employees Disabled on or After April 1, 1998 *

(* See Explanatory Note in Preamble to this Addendum.)

- (1) In the event an employee, while enrolled in this Plan, becomes totally disabled on or after April 1, 1998 as a result of an accident or sickness, then, after the employee has been totally disabled for five (5) months the employee shall receive a benefit equal to seventy percent (70%) of the first \$2,800 of the pre-disability monthly earnings and fifty percent (50%) on the pre-disability monthly earnings above \$2,800 or 66-2/3% of pre-disability monthly earnings, whichever is more. The \$2,800 level is to be increased annually by the increase in the weighted average wage rate for employees under the Collective Agreement for the purpose of determining the benefit amount for eligible employees as at their date of disability.

It is understood that this adjustment will only be applied once for each eligible employee, i.e., at the date of the disability, to determine the benefit amount to be paid prospectively for the duration of entitlement to benefits under the LTD plan.

- (2) In the event that the benefit falls below the amount set out in Section 2(B)(1) above for the job that the claimant was in at the time of commencement of receipt of benefits, LTD benefits to be adjusted prospectively to seventy percent (70%) of the first \$2,800 of the current monthly earnings and fifty percent (50%) on the current monthly earnings above \$2,800 or 66-2/3% of current monthly earnings, whichever is more based on the wage rate in effect following review by HBT every four years. (Note: the

\$2,800 figure will be adjusted as set out in Section 2(B)(1) above).

(C) All Claimants

For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee's average monthly hours of work for the twelve-month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by their hourly pay rate as at the date of disability.

The long-term disability benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date the employee reaches age sixty-five (65), recovers, dies, or the effective date of early retirement under this plan, whichever occurs first.

(D) Employees who still have unused sick leave credits after the waiting period when the long-term disability benefit becomes payable shall have the option of:

- (1) exhausting all sick leave credits before receiving the long-term disability benefit;
- (2) using sick leave credits to top off the long-term disability benefit; or
- (3) banking the unused sick leave credits for future use.

(E) Employment status during the intervening period between expiration of sick leave credits and receipt of long-term disability benefits:

Employees who will be eligible for benefits under the Long-Term Disability Plan shall not have their employment terminated; following expiration of their sick leave credits they shall be placed on unpaid leave of absence until receipt of long-term disability benefits.

(F) Employees are not to be terminated for non-culpable absenteeism, while in receipt of long-term disability benefits.

Section 3 - Total Disability Defined

(A) Employees disabled Prior to April 1, 1998 *

(* See Explanatory Note in Preamble to this Addendum.)

Total disability, as used in this Plan, means the complete inability because of an accident or sickness, of a covered employee to perform the duties of their own occupation for the first two (2) years of disability. Thereafter, an employee who is able by reason of education, training, or experience to perform the duties of any gainful occupation for which the rate of pay equals or exceeds eighty-five percent (85%) of the rate of pay of their regular occupation at date of disability shall no longer be considered totally disabled and therefore, shall not continue to be eligible for benefits under this Long-Term Disability Plan.

(B) Employees Disabled on or After April 1, 1998 *

(* See Explanatory Note in Preamble to this Addendum.)

Total Disability, as used in this Plan, means the complete inability because of an accident or sickness, of a covered employee to perform the duties of their own occupation for the first two (2) years of disability. Thereafter, an employee who is able by reason of education, training, or experience to perform the duties of any gainful occupation for which the rate of pay equals or exceeds seventy percent (70%) of the current rate of pay for their regular occupation at the date of disability shall no longer be considered totally disabled under the Plan. However, the employee may be eligible for a Residual Monthly Disability Benefit.

(1) Residual Monthly Disability Benefit

The Residual Monthly Disability Benefit is based on 85% of their rate of pay at the date of the disability less the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that the employee is able to perform. The Residual Monthly Disability Benefit will continue until the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that the employee is able to perform equals or exceeds 85% of the rate of pay for their regular occupation at the date of the disability. The benefit is calculated using the employee's monthly LTD net-of-offsets benefit and the percentage difference between the 85% of the employee's rate of pay at the date of disability and the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that they are able to perform.

Example:

(a)	Monthly LTD net-of-offsets benefit	=	\$1,000 per month
(b)	85% rate of pay at date of disability	=	\$13.60 per hour
(c)	70% of current rate of pay	=	\$12.12 per hour
(d)	percentage difference [(b/c) - 1]	=	12.2%
(e)	Residual Monthly Disability Benefit (a x d)	=	\$122

(C) All Claimants

- (1) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses.

(2) During a period of total disability an employee must be under the regular and personal care of a legally qualified Doctor of Medicine.

(3) Commitment to Rehabilitation

In the event that an employee is medically able to participate in a rehabilitation activity or program that:

- (a) can be expected to facilitate their return to their own job or other gainful occupation; and
- (b) is recommended by HBT and approved as a Rehabilitation Plan, then,

the entitlement to benefits under the LTD Plan will continue for the duration of the Approved Rehabilitation Plan as long as they continue to participate and cooperate in the Rehabilitation Plan. If the Plan involves a change in own occupation, the LTD benefit period will continue at least until the end of the first two (2) years of disability. In addition, the employee may be eligible for the Rehabilitation Benefit Incentive Provision.

The Rehabilitation Plan will be jointly determined by the employee (and, if the employee chooses, their union) and the Employer. In considering whether or not a rehabilitation plan is appropriate, such factors as the expected duration of disability, and the level of activity required to facilitate the earliest return to a gainful occupation will be considered along with all other relevant criteria. A rehabilitation plan may include training. Once the Rehabilitation Plan has been determined, the employee and the HBT will jointly sign the Terms of the Rehabilitation Plan which will, thereby, become the Approved Rehabilitation Plan and the employee's entitlement to benefits under the LTD plan shall continue until the successful completion of the Approved Rehabilitation Plan, provided the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan. In addition, the employee may be

eligible for any, or all, of the Rehabilitation Benefit Incentive Provisions.

(4) Rehabilitation Review Committee

- (a) In the event that the eligible employee does not agree:
 - (i) with the recommended rehabilitation plan, or,
 - (ii) that they are medically able to participate and cooperate in the Rehabilitation Plan as defined in the Terms of the Rehabilitation Plan, then, to ensure benefit entitlement under the LTD Plan, the employee must either:
 - (iii) be able to demonstrate reasonable grounds for being unable to participate and cooperate in a rehabilitation plan; or,
 - (iv) appeal the dispute to the Rehabilitation Review Committee for a resolution.
- (b) During the appeal process, the employee's benefit entitlement under the LTD Plan shall not be suspended.

The Rehabilitation Review Committee shall be composed of three qualified individuals who, by education, training, and experience are recognized specialists in the rehabilitation of disabled employees. The Committee members shall be composed of one (1) employer nominee, one (1) union nominee and a neutral chair appointed by the nominees. The purpose of the Rehabilitation Review Committee shall be to resolve the appeal of an eligible employee who:

- (i) does not agree with the recommended Rehabilitation Plan; or
- (ii) does not agree that they could medically participate in the Rehabilitation Plan.

During the appeal process, the eligible employee's entitlement to benefits under the LTD Plan shall continue until the Committee has made its decision. The decision of the Committee shall determine whether or not the eligible

employee is required to participate and cooperate in the Rehabilitation Plan approved by the Committee. In the event that the eligible employee does not accept the Committee's decision their entitlement to benefits under the LTD Plan shall be suspended until such time as the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan.

(5) Rehabilitation Benefit Incentive Provisions

- (a) An employee who has been unable to work due to illness or injury and who subsequently is determined to be medically able to:
- (i) return to work on a gradual or part-time basis;
 - (ii) engage in a physical rehabilitation activity; and/or
 - (iii) engage in a vocational retraining program.

shall be eligible for any, or all, of the Rehabilitation Benefit Incentive Provision.

- (b) The intent of the Provision is to assist the employee with a return to a gainful occupation. In many situations, an employee who returns to work by participating and cooperating in an Approved Rehabilitation Plan will be able to increase their monthly earnings above the LTD benefit amount. The objective of the Rehabilitation Benefit Incentive Provision is to promote the successful completion of the Rehabilitation as follows:

- (i) The employee, who upon return to gainful rehabilitative employment under an Approved Rehabilitation Plan, will be entitled to receive all monthly rehabilitation earnings plus a monthly LTD benefit up to the amount set out in Part B, Section 2(A) or (B) (as the case may be) of the Addendum, provided that the total of such income does not exceed one-hundred percent (100%) of the current rate of pay for their regular occupation at the date of the disability;

- (ii) Upon successful completion of the Approved Rehabilitation Plan, the employee becomes an automatic candidate for all job postings with the Employer, and shall have the ability to bump under the Collective Agreement for positions that the employee is qualified and physically capable of performing; and,
- (iii) Upon successful completion of the Approved Rehabilitation Plan, the LTD benefit period may be extended for a maximum of six (6) months for the purpose of job search; and,
- (iv) The eligible employee shall be entitled to participate in the Job Exploration and Development program.

“Rehabilitative employment” shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee’s doctor and the underwriter of the Plan.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved as rehabilitative employment, then the regular monthly benefit from the Plan shall be reduced by one-hundred percent (100%) of such earnings.

Section 4 - Exclusions from Coverage

The Long-Term Disability Plan does not cover total disabilities resulting from:

- (A) war, insurrection, rebellion, or service in the armed forces of any country;
- (B) voluntary participation in a riot or civil commotion, except while an employee is in the course of performing the duties of their regular occupation;
- (C) intentionally self-inflicted injuries or illness.

Section 5 - Integration with other Disability Income

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused them to be eligible to receive benefits from this Plan, the benefits from this Plan shall be reduced by one-hundred percent (100%) of such other disability income.

Other disability income shall include but is not limited to:

- (A) any amount payable under any *Workers' Compensation Act* or law or any other legislation of similar purpose; and
- (B) any amount the disabled employee receives from any group insurance, wage continuation, or pension plan of the Employer that provides disability income; and
- (C) any amount of disability income provided by an compulsory act or law; and
- (D) any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which they would be entitled if their application for such a benefit were approved; and
- (E) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong to or subscribe.

Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

The amount by which the disability benefit from this Plan is reduced by other disability income shall be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements shall not further reduce the benefit from this Plan.

Section 6 - Successive Disabilities

If following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments after the completion of another waiting period.

In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Should such an employee suffer a subsequent disability that is unrelated to the previous disability and provided the period during which the employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments after the completion of another waiting period. If the period during which the employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Section 7 - Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the Plan and shall pay the full premium. Coverage shall be permitted for a period of twelve (12) months of absence without pay, except if such leave is for educational purposes, when the maximum period shall be extended to two (2) years. If an employee on leave of absence without pay becomes disabled, their allowance under this Plan shall be based upon monthly earnings immediately prior to the leave of absence.

Section 8 - Benefits Upon Plan Termination

In the event this Long-Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled employees who became disabled while covered by this Plan prior to its termination.

Section 9 – Premiums

The cost of this Plan shall be borne by the Employer. Payment of premiums shall cease on termination of employment or five (5) months prior to an employee's sixty-fifth (65th) birthday, whichever occurs first.

Section 10 - Waiver of Premiums

The premiums of this Plan shall be waived with respect to disabled employees during the time such an employee is in receipt of disability benefit payments from this Plan.

Section 11 – Claims

Long-term disability claims shall be adjudicated and paid by a claims-paying agent to be appointed by the Parties. The claims-paying agent shall provide toll free telephone access to claimants. In the event a covered employee disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee may arrange to have their claim reviewed by a claims review committee composed of three medical doctors - one designated by the claimant, one by the Employer, and a third agreed to by the first two doctors.

Written notice of a claim under this Plan shall be sent to the claims-paying agent no later than forty-five (45) days after the earliest foreseeable commencement date of benefit payments from this Plan or as soon thereafter as is reasonably possible. Failure to furnish the required notice of claim within the time stated shall not invalidate nor reduce the claim if it was not reasonably possible to file the required notice within such time, provided the notice is furnished no later than six (6) months from the time notice of claim is otherwise required.

Section 12 – Administration

The Employer shall administer and be the sole trustee of the Plan. The Association shall have access to any reports provided by the claims-paying agent regarding experience information.

All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 9, 10 and 11 of the Collective Agreement.

Section 13 - Collective Agreement Unprejudiced

The terms of the Plan set out above shall not prejudice the application or interpretation of the Collective Agreement.

Section 14 - LTD Plan Early Retirement Incentive Provision

The LTD Plan Early Retirement Incentive Benefit is to ensure that the eligible employee will not realize a pension benefit that is less than the pension benefit that they would have been entitled to receive at the normal retirement date, had they not applied for early retirement, regardless of when the early retirement incentive provision is activated.

(A) An employee under this Agreement who is:

- (1) eligible for, or who is receiving LTD benefits, or in the case of claimants under Section 2(A), eligible for, or who has been in receipt of LTD for four (4) years or more, and
- (2) eligible for early retirement pension benefits,
- (3) not eligible for the LTD Plan Rehabilitation Provisions shall apply for early retirement.

The employee's entitlement to benefits under the LTD Plan shall, provided the employee remains eligible as per the definition of Total Disability, continue during the period of time that their application for early retirement is being processed with their pension plan administrator. In the event that the employee is not eligible for an unreduced pension benefit, they may still be eligible for the LTD Plan Early Retirement Incentive Benefit.

(B) Entitlement to and the amount of the LTD Plan Early Retirement Incentive Benefit shall be determined by considering the following factors:

- (1) the amount of the monthly pension benefit that the employee would have been entitled to receive if early retirement was not elected;
- (2) the amount of the monthly early retirement benefit that the employee will receive;
- (3) the amount of the gross monthly LTD benefit that the employee is entitled to receive;
- (4) the amount of the net-of-offsets monthly LTD benefit that the employee is entitled to receive; and,
- (5) the maximum LTD benefit duration period applicable to the employee.

If the combination of Municipal Pension Plan benefit, Canada Pension Plan retirement benefit and any other disability income referred to in Part B - Section 5 of the LTD Addendum results in monthly income of less than the LTD monthly income benefit, then the eligible employee shall be entitled to remain on LTD benefits.

(C) An employee who is eligible for the LTD Plan Early Retirement Incentive Benefit shall be entitled to receive the benefit in a lump sum, or direct the Healthcare Benefit Trust to any other designate. The employee shall complete an LTD Plan Early Retirement Incentive Benefit Application. Upon approval of the employee's application, the employee and the Healthcare Benefit Trust will jointly sign the Terms of the LTD Plan Early Retirement Incentive Benefit and the employee and the members of the Joint LTD Plan Early Retirement Incentive Committee shall sign the LTD Plan Early Retirement Incentive Agreement on behalf of the Parties to the Collective Agreement.

(D) All eligible employees who are entitled to the LTD Plan Early Retirement Incentive Benefit shall be entitled to the continuation of the Life Benefit coverage in effect until age 65 years or death, whichever is earlier.

A casual employee shall be entitled to register for work in any job classification in a single department in respect of which such employee meets the requirements of the classification. No casual employee shall be registered in more than one (1) department except where the Employer and the Union otherwise agree in good faith.
2. The manner in which casual employees shall be called to work shall be as follows:
 - (i) The Employer shall maintain both (a) a master casual seniority list which shall include all casual employees employed by the Employer listed in descending order of their seniority; and (b) a classification registry for each job classification in which casual employees may be used. Each classification registry shall list those casual employees who have been qualified to work in that job classification in descending order of hours worked.
 - (ii) Casual employees shall notify the Employer every four (4) months of the dates and times they will be available for work. If the casual employee has a change in their aforementioned stated availability the casual employee will notify the Employer

- immediately. All employee notifications to the Employer must be in writing.

In the event of a dispute the Union shall have reasonable access to the log book and shall be entitled to make copies.

- 4. Casual employees shall not be dismissed except for just and proper cause.

Section E – Seniority

- 1. Casual employees shall accumulate seniority on the basis of the number of straight time hours worked and upon written notification by the Union the number of hours paid for leave for Union business.
- 2. For purposes of relating the seniority of a casual employee to that of regular employees, the seniority date or most recent date of hiring of such employee shall be calculated by:
 - (i) Dividing their number of seniority hours by a factor of 7.5 which shall be deemed to be the number of days worked; and then
 - (ii) Taking the number of days worked derived under subsection (1) herein multiplied by a factor of one-point-four (1.4) rounded off to the nearest whole number which shall be deemed to be the number of calendar days of employment. The seniority date shall then be calculated by backdating from the applicable date the number of calendar days thus determined.
- 3. Upon return to work, casual employees will be credited with seniority hours based on their relative position on the

casual list while receiving Worker's Compensation Benefits.

4. Casual employees may be laid off from the casual list in the inverse order of their seniority where it becomes necessary to reduce the work force due to economic circumstances. Laid off casual employees shall retain their seniority for one year subject to which they shall be reinstated to the casual list in the order of their seniority when it becomes necessary to expand the work force.

Casual employees hired after an adjustment date shall be added to such classification registry or registries as are applicable in the order that they are hired.
 - (ii) For purposes of a call-in to do casual work, any time accumulated in a current period shall not be reckoned until the next following adjustment date.

 - (a) Of the master casual seniority list; and
 - (b) Of each classification registry maintained by the home.

Section F

1. Casual employees shall receive twelve-point-four percent (12.4%) of their straight-time pay in lieu of scheduled vacations and statutory holidays.

2. Casual employees shall move to the increment step indicated by accumulated hours of service with the Employer.
3. Where a job posting is filled by a casual employee under Section A-2 and the casual employee occupies the position for six (6) months or more, they will be entitled to reimbursement for monthly benefit premiums paid by the employee for medical, dental and extended health premiums pursuant to paragraph F-5 of the Casual Addendum for the period subsequent to the first thirty-one (31) days in the position.
4. In any event, after the casual employee has filled the position for a period of six (6) months, the casual employee shall be enrolled in the benefit plans listed below at the sole cost of the Employer:
 - (i) Medical Plan
 - (ii) Dental Plan
 - (iii) Extended Health Care Plan

Coverage under this section shall cease when either:

 - (i) The regular incumbent returns to the position, or
 - (ii) The casual employee is no longer working in the posted position.
5.

 - (a) Medical services plan;
 - (b) Dental plan;
 - (c) Extended health plan.

An employee who makes an election under this provision must enroll in each and every of the benefit plans and shall not be entitled to except any of them.

- (ii) Where a casual employee subsequently elects to withdraw from the benefit plans or fails to maintain the required payments, the Employer shall terminate the benefits. Thereafter the employee shall only be entitled to re-enroll if the employee so elects between December 1 and December 15 in any year to be effective the January 1 next following.
- 6. There shall be a minimum of eight (8) consecutive hours off duty for a casual employee.

Section G – Regular Employees

- 1. A regular employee who is laid off shall be entitled as of right to transfer to casual status. Other regular employees may transfer to casual status provided that the Employer requires additional casual employees. Upon transfer such employees shall be entitled only to such benefits as are available to casual employees. Such employees shall maintain all accumulated seniority and benefits to the date of the transfer converted to hours on the following formula:
 - (i) To determine the number of days worked, take the number of calendar days between the employee's seniority date and the date of transfer multiplied by a factor of zero-point-seven-one-four (0.714); and then
 - (ii) To determine the number of seniority hours, multiply the result obtained under subparagraph one (1)(i) by a factor of seven-point-five (7.5).
- 2. Regular part-time employees may register for casual work under this Addendum except that Sections C, E-2, E-3, F-1 and F-5 shall not apply. Where the regular schedule of a part-time employee registered under this section conflicts with a casual assignment, the part-time employee shall be deemed to be unable to work except that where the assignment is longer than four (4) days the employee shall be relieved of their regular schedule at the option of the employee. All time worked shall be credited to the

employee under the provisions of Articles 14.15, 28.10, 29.10, 31.02 and 32.13 of the Collective Agreement.

3. Sick leave credits accumulated under the provisions of Article 32.14 may be used by regular part-time employees who become sick during a casual work assignment. The use of sick leave credits under these circumstances is limited to the current casual assignment and is not applicable to any casual assignments which the employee has not yet commenced.

Re: Schedules with Work Days Greater than 7.5 Hours

The purpose of this Memorandum of Understanding is to vary or clarify the terms of the 2006 - 2010 Facilities Subsector Agreement between the parties so that an expanded work day/compressed work week can be introduced.

- (a) It is understood and agreed by the parties that the present position of the Employer and the employees will not be compromised by this Memorandum of Understanding. The Employers and employees affected by this Memorandum of Understanding shall not lose or gain any benefit or benefits presently enjoyed under the terms of the Master Agreement.
- (b) It is understood and agreed by the parties that the introduction of this plan shall not work to the detriment of the Employer when related to part-time or casual employees. No employer or employee will receive pay or benefits superior to those negotiated in the Facilities Subsector Agreement for their classification and status because of the fact of working an expanded work day/compressed work week.

- (c) It is understood and agreed by the parties that for the purposes of this Memorandum of Understanding, days have been converted into working hours where applicable, so that one (1) day shall equal seven-and-one-half (7.5) paid hours.

Example: Three (3) days' bereavement leave equals seven-and-one-half (7.5) hours times three (3) days = 22.5 working hours.

- (d) It is understood and agreed by the parties that regular full-time employees normally receive 1,950 hours' pay in the fifty-two (52) week period commencing from the first scheduled shift in January.

For the purposes of calculating days off the employee will receive a minimum of one-hundred-seventeen (117) days off (two (2) days per week plus a minimum of thirteen (13) statutory holidays) in a fifty-two (52) week period commencing with the first scheduled work shift in January.

It is further understood and agreed that an employee may work a shift on the three-hundred-and-sixty-fifth (365th) day or three-hundred-and-sixty-sixth (366th) day (in a Leap Year) of the work year which commences with the first scheduled shift in January. If such shift is regularly scheduled then overtime shall not apply for same.

For the purposes of calculating the employees' hourly pay rate, the following formula shall apply:

$$\text{Hourly rate} = \frac{\text{monthly rate} \times 12}{1,950}$$

It is understood and agreed by the parties that the attached clause revisions are for administrative clarity and indicate the way which the expanded work day/compressed work week will be implemented. These revisions may be modified or expanded upon to comply with the philosophy

expressed in Section (a) of this Memorandum of Understanding.

Revisions to the Facilities Subsector Agreement for the purposes of this Memorandum are as follows:

Article 14.12 - Portability

14.12.02 Portable Benefits

Sick Leave

The employee shall be credited with any unused accumulation of sick leave from their previous employment up to a maximum of eleven-hundred-and-seventy (1,170) working hours, and shall be entitled to sick leave in accordance with the provisions of Article 31 commensurate with their accumulated seniority.

Notwithstanding the foregoing, employees with accumulated sick leave credits in excess of eleven-hundred-and-seventy (1,170) hours as of the first pay period prior to September 30, 1993 shall retain the accumulated balance to their credit.

Article 22- Overtime

22.03 If an employee works overtime on a Statutory Holiday which calls for a premium rate of pay as provided at Article 27, the employee shall be paid overtime at the rate of time-and-one-half times (1.5 x) the premium Statutory Holiday rate for all hours worked beyond the normally scheduled hours for that day.

Article 27 - Statutory Holidays

27.02 If an employee is required to work on Good Friday, Labour Day or Christmas Day, the employee shall be paid at the rate of time-and-one-half (1.5 x) plus straight-time for all hours worked. In addition, each regular employee will receive seven-and-one-half (7.5) paid hours off.

27.05 If an employee is required to work on one of the Government proclaimed Statutory Holidays listed in Article 27.01

other than Super Stats, the employee shall be paid at the rate of double time for all hours worked, and in addition, will receive seven-and-one-half (7.5) paid hours off.
