Dear Sisters, Brothers and Friends,

Re: HEU Women in Leadership Workshop – Thursday March 9, 2023

“Women in Leadership” is a one-day, online workshop designed to recognize the leadership of women in the labour movement, celebrate the progress made toward achieving gender equity and reflect on the struggles that continue.

All two-spirit, women and non-binary members are invited to attend the session. As space is limited, there may be a selection process depending on the number of applications received.

The “Women in Leadership” workshop is an opportunity for those attending to:

- Reflect on and celebrate the progress made by women and those impacted by gender oppression toward achieving equity and justice; and
- Learn about relationships between gender, race, class and disability and how to apply an intersectional approach to continue the work of achieving justice and equity for all.

Please fill out the attached application form and submit by **Wednesday, February 1 2023** to the Provincial Office **Attention: Morgan Dymond**, Education and Human Rights Department. **Please return only ONE copy of the application – either by mail, email to mdymond@heu.org or fax at 604-739-1510.** Alternatively, an online form is available on our website at www.heu.org.

We will contact successful applicants by email to confirm further details. Please ensure the email address on your application is current and is your primary email contact where we will send information regarding the workshop. Please do not use your employer’s email address. Once applicants have been notified, they will be required to apply for a leave of absence for union business, where applicable.
