**Re: HEU Summer School – Harrison Hot Springs, June 11-16, 2023
Strengthening Connections and Organizing for Power**

We are very excited to announce that the HEU is holding a weeklong summer school, June 11 - 16, 2023, at Harrison Hot Springs. This is an in-residence program, so all participants will be accommodated at Harrison Hot Springs Resort.

The theme for the school is **Strengthening Connections and Organizing for Power**.

Using a variety of exercises, practices and tools, members will share knowledge and experiences to build stronger relationships and to organize the fight for workers' rights in the workplace.

HEU Summer School is a great opportunity for both new and experienced activists.

- Are you committed to developing the skills needed to build power at your workplace and locals?
- Do you want to build a strong, inclusive union where workers are united to defend and improve their workplace rights and conditions?
- Do you want to gain the confidence to stand up for yourself and your fellow workers?

If so, please apply for this in-depth training opportunity. The school begins Sunday, June 11, with registration, 4 p.m. to 6 p.m., followed by a meet and greet and dinner. The opening plenary is scheduled for 7 p.m.

Workshops run throughout the week, including some evening sessions, and adjourn at noon on Friday, June 16, allowing members to travel home on Friday.

All applications must be received by **Monday, April 10, 2023, 5 p.m.** the application form is attached.
