Re: Multi-Site Posting Pilot Project

During negotiations, the Parties discussed their respective concerns regarding the above-captioned matter. As a result of these discussions, the Parties hereby agree to implement a Pilot Project to trial a Multi-Site Job Posting system procedure as follows. This Pilot Project is specific to the Employers listed as a Common Employer in the 2020 Settlement Agreement between the parties.

Definitions:

Home site – is that Employer site or facility at which an employee is employed and where an employee earns and maintains seniority.

New site – is the Employer site or facility to which an employee relocates following successful application on a posting and at which the employee will now earn and maintain seniority.

Posting – for the purposes of this Pilot Project means notice of a regular vacancy.

Vacancy – for the purpose of this Pilot Project means a regular position the Employer requires to be filled.

Service seniority – service seniority means the length of continuous service as an employee within the Common Employer.

Site seniority – means that length of continuous service as an employee at a specific Employer site, in which an employee earns and maintains seniority.

Entitlements and banks – are as outlined in Schedule A to this memorandum.

Vacancies and newly created positions shall be posted pursuant to the relevant Job Posting and Applications Article of the Collective Agreement at all sites simultaneously internally and externally, and all members of the Common Employer will have the right to apply in writing.

Where an employee is applying for a posting/position that is not located at their Home site, they must do so through the external posting process of the Common Employer.

Current employees at a site shall have first rights to fill a posting/position at that site.

Only after all the qualified applicants at the site where the position originated have been considered and the posting/position has been left unfilled shall the applicants from other sites of the Common Employer be considered prior to the posting/position being filled externally from outside the Common Employer.

Once an employee is successful in the bidding process the new site will become the employee’s home site. Employees shall transfer into the new site with all service seniority, entitlements and banks. Site seniority for the employee at the home site will be maintained, and the employee will commence earning seniority at the new site. Total seniority earned and maintained in accordance with Common Employer Collective Agreements is the employee’s Service Seniority. All other provisions of the

Collective Agreement in effect at the new site shall apply to the employee.

Transferring employees must complete their three (3) month qualifying period in the new position at the new site before they are able to post into alternate positions within the new site.

In no instance during the qualifying period shall such an employee lose seniority or perquisites. However, if a regular employee has been transferred and during the three (3) month period is found to be unsatisfactory in the new position, then the transferred employee shall be returned to their former job and increment step before the transfer took place, without loss of seniority, and any other employee hired or transferred because of the rearrangement of jobs, shall be returned to their former job and pay rate without loss of seniority and accrued perquisites.

An employee who requests to be relieved of a transfer during the qualifying period in the new job shall return to the employee’s former job at their home site without loss of seniority or perquisites on the same basis as outlined above.

Employees of the Common Employer may apply to transfer to a casual list at any Common Employer site provided the employee is qualified and capable of performing the work for the casual classification for which they are applying and provided the receiving site requires additional casual employees.

It is understood and agreed that the above Pilot Project is entered into by the Parties to this Agreement on a trial basis for a period of twenty-four (24) months following ratification and it will be subject to extension thereafter by agreement of the parties.

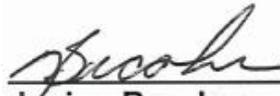

During the Pilot Project the parties will meet regularly.

During the life of this Pilot Project the Parties agree to meet regularly and not less than every six (6) months to discuss any

**Well Being Services (DCC) Ltd. – Dufferin Care Centre / Hospital
Employees’ Union – Apr 1, 2021 to Aug 31, 2024**

issues that may arise. By mutual agreement the parties shall have the ability to make adjustments to the language of the Pilot Project. A joint committee comprising of three (3) representatives of the Employer and three (3) representatives of the Union will be established to conduct these discussions.
