COLLECTION, USE AND DISCLOSURE OF PERSONAL INFORMATION

Except as otherwise stated, personal information collected in this application form and related documents will be used to determine the applicant's eligibility for funding from the FBA Education Fund.

Except as otherwise stated, personal information collected may also be disclosed to third parties (including relevant educational institutions and the applicant's employer) for the following purposes:

- to verify and/or investigate the accuracy of the information provided by the applicant;
- to administer any funds awarded to the applicant;
- to communicate with the employer regarding leave requests or other matters relevant to the applicant's actual or intended course of study training.

Personal information collected may also be converted into non-identifiable or aggregate form for statistical reporting purposes – for example, to report on the number of applications received from members of an equity group (e.g., young workers); to report on the various types of study or training funded; etc.
