

JOBS TODAY, JOBS TOMORROW

 **GREENjobsbc** CONFERENCE 2016

**Thursday November 24
and Friday November 25**

Anvil Centre, 777 Columbia Street, New Westminster, BC

Keynote Speaker: Bob McDonald

Bob is loved by audiences across Canada for making complex scientific issues understandable, meaningful, and fun. A fixture in broadcasting for more than 30 years, he is currently the host of CBC Radio's Quirks & Quarks—the award-winning science program that is heard by 500,000 people each week--and is the author of numerous bestselling books.

The **Jobs Today, Jobs Tomorrow** conference will explore unique opportunities for job growth in BC as we transition to a low carbon economy. Participants will also learn about strategies to green existing jobs and workplaces. The conference will include panel discussions, break-out sessions, guest speakers, a trade exhibit, and a networking reception.
