You may be covered by different HEU collective agreements because you work for more than one private contractor in a health facility. In this case, you're allowed to vote in each Bargaining Committee election.

For example, if you work for both Compass VCHA and Sodexo VCHA in two different jobs, you can vote for the Compass VCHA/PHC Bargaining Committee and the Sodexo VCHA Bargaining Committee.

See the Bargaining Committee Election Notice for other collective agreements on the union boards of your other sites. Or visit [www.heu.org/cssw-bc-election](http://www.heu.org/cssw-bc-election) to get a full list of the Bargaining Committee candidates.
