Dear Sisters, Brothers and Friends:

### Re: **Getting Involved – June 2018**

---

HEU members are at the center of our union. Together we are continuously working to build a stronger, more diverse union where members feel confident and ready to fight for improved wages and working conditions, safer workplaces, and for social justice in our communities.

To support broader engagement by members in the union, HEU has launched *Getting Involved*, an exciting new workshop for members who are considering getting active in the union or in union-supported campaigns.

In the *Getting Involved* workshop members will:

- Deepen their understanding of how workers' rights are won and how we fight for and protect those rights
- Explore how activists' interests, strengths and passions create pathways to getting involved in the union and social justice movements
- Increase their awareness of HEU's history as a fighting union

Interested members should return their applications to the Provincial Office **Attention: Sonia Paone**, Education Department. **Please return only ONE copy of the application – either by fax or mail or email.**

Depending on the total number of applicants, there may be a selection process. We will be contacting applicants by telephone or mail once the selection process has finished.

In solidarity,

Jennifer Whiteside  
Secretary-Business Manager
