HEY, KIDS – WIN ART SUPPLIES OR CHOCOLATE!

December 3rd is the International Day of Persons with Disabilities. This day was established in 1992 by the United Nations, and it is observed around the world. This year the theme for the day is “Empowering persons with disabilities and ensuring inclusiveness and equality”. This focuses on empowering people with disabilities and ensuring meaningful inclusiveness and equity, in all areas of life.

This is the first year that the People with DisAbilities committee has held a colouring contest to raise awareness of the International Day of Persons with Disabilities, giving young people the opportunity to learn about this important day.
