Facilities ratification vote results to be released Friday

The results of a province-wide ratification vote on a tentative agreement covering 48,000 health care workers in the facilities subsector will be released Friday.

HEU locals across the province completed their votes on Wednesday, but results from other unions in the 11-member Facilities Bargaining Association will not be completed until later today.

When the results are tabulated, they will be posted on this website and will also be available on the bargaining hotlines.

HEU locals will also be posting their results in the workplace.
