## HEU rallies support for members in contracted health services

HEU members working for Sodexo, Compass, Aramark, Marquise, and Acciona have been without a contract for more than six months. To date, negotiations with their corporate employers have been painfully slow.

HEU is holding two solidarity rallies later this month to support their bargaining teams.

- In the **Lower Mainland**, a rally will convene at 3:00 p.m. on **Tuesday, May 28**, in front of **Vancouver General Hospital**.
- On **Vancouver Island**, a rally will be held at 3:00 p.m. on **Wednesday, May 29**, at **Royal Jubilee Hospital**, in front of Begbie Hall.

HEU is encouraging all members, from every sector of the union, to come out and support our sisters and brothers' fight for a fair contract.
