HEU members bring lots of ideas to Task Force meetings

*Check out the Island and Okanagan meeting
schedules - and plan to attend*

The Task Force's Kootenay tour wrapped up October 19 with members from around the region participating in fourteen meetings over the past week.

Interest and energy in the Task Force and its goals continues to grow, with members sending in suggestions for change by fax, post and email - taskforce@heu.org - and completing and returning the TF's questionnaire, available from HEU regional offices or the union's website.

The latest updates of Vancouver Island and Okanagan tour schedules are also on the website. Just click on the Task Force logo at the top of the homepage to find them.
